NEW ADDITIONS TO THE ULYSSES TOURS FLEET

Well-known Pretoria based tour operator Ulysses Tours has added a luxury limousine and a second purple party bus to its fleet.

Managing Director Jaco Robbertse says the streets of Pretoria are not only adorned with its famous purple Jacaranda blooms but also with a second infamous party bus – the Ulysses Tours' Open Top Purple Bus.

“A huge demand over peak periods and from corporate companies for functions with more than 65 passengers has led to the transforming of a second bus. We can now accommodate up to 130 passengers at a time on the two buses. “

As required by law, the top deck is partially covered by a canvas top. The bus is also equipped with a bar counter, a radio / CD-system with 10 speakers and a toilet.

The buses are available to charter for office functions, birthday and bachelor parties, marches, weddings, sightseeing tours, dinner evenings and for general transport to sports events.

A 1991 Mercedes-Benz S-class limousine has also been added to the fleet. “We have catered for the luxury market with a Mercedes-Benz C-class and Volvo S40 in our fleet, but this addition will give us a further advantage in this market,” says Robbertse.

The air-conditioned limousine can seat eight passengers and is fitted with a DVD / radio system, a small bar counter, glasses and a champagne holder. The passengers are separated from the driver with a tinted window, ensuring total privacy.

“We are targeting the wedding and matric farewell markets, as well as dinner evenings, small celebrations and the VIP chauffeur drive market,” he says.
